

Muskegon Conservation Club Membership Application

There are two options for membership:

The \$30 option is for one primary club member who will receive: one parking sticker, one membership card, one official vote at club meetings/elections, and membership in the Michigan United Conservation Club (MUCC), which includes electronic delivery of the Michigan Out-of-Doors magazine. The primary club member must accompany family members or guests when they are at the club.

For an additional \$15 (\$45 total), a co-applicant (spouse/partner) can become a spousal member. Spousal members will receive a separate parking sticker and membership card. Spousal members can be on the grounds without the primary member; however, they are not MUCC members.
